Highlander 2014, Volume 62

The 2014 Highlander Yearbook, *Reflections*,
is in memory of Charles Frazee, Class of 2013
graduate, who passed away June 1, 2014.
Thanks for the great memories Charlie!

"As I sit here and write my last message as an editor for the yearbook I can't help but reflect back on my first year as being only a staff member. Being a part of the staff has helped me grow as a person in so many ways. I went from being a quiet girl that let older staff member blame me for breaking the camera to one of the three senior editors that got to make the decisions for this year's book. To Leah and MiKayla, wow I can't believe we made it. I remember planning all last summer for goals we had for this and I believe we accomplished almost all of them. It has been a pleasure leading with you girls. To Zump, you are just beyond the best teacher I ever had. You are such a genuine person and you truly care about your students. You don't just treat being your advisor as a job; you really put your heart into it. I love you and I hope you continue your love for cats and Derek Morgan and that your new found Love for Luke Bryan grows. To next year's editors, I wish you the best of luck in creating a part of high school that you will always have and never forget. For the students and staff, I hope you enjoy this yearbook and I hope we made you proud. Congratulations class of 2014! We finally did it!" **-Abby Hopkins**

"As my senior year ends, I am blessed that I got to meet and work with such amazing people my entire high school career. I'm so happy I got to work with this group of girls to produce my last Southern High yearbook. We did an amazing job! I know things were not easy at times, but just think we pulled through and have an awesome book to show for the blood, sweat and tears! Zump, thank you for all that you've done. You have been an amazing teacher and best friend. It never mattered what was wrong; you found a way to fix it and make it ten times better! I couldn't have asked for a better yearbook teacher. Abby and MiKayla, thank you for helping make the tough decisions on what to do for the yearbook. We finished our last book and we couldn't have done better! To the rest of the Highlander staff, you all did well. I am proud of how you all worked and completed what was expected of you. Congratulations Class of 2014! We did it! I hope all your dreams come true!" **-Leah Welch**

"I am so proud of every member of the yearbook staff this year. We gave it our all and I am very proud of what my senior yearbook looks like. I want to especially thank Abby Hopkins and Leah Welch for giving their time, effort, and opinions! I could not have wished for any better senior editors. This book could not have been done without Ms. Zump! Thank you Zump for all that you do. You give all your time into this school and we all really appreciate you! I wish the best of luck to all of the underclassmen next year. Make your yearbook memorable and exciting!" **-MiKayla Markwood**

As I look back on this school year, I ask myself how did we make it through? We made it because of Leah, Abby, MiKayla, and you dedicated Highlander staff members. Your hard work on this yearbook shows on each and every page. I thank you for the time you spent making sure pictures were taken, ads were sold and pages were completed. And so another yearbook is finished and I am proud of how the 2014 staff worked on making this yearbook a memorable keepsake for Southern students. You should be proud of what you accomplished! Good luck yearbook seniors and good luck to the class of 2014! May your futures be as bright and beautiful as each one of you are! **I love you MEOW AND FOREVER! -Ms. Zump (and Mesha)**

Without the students, parents, coaches, teachers and the community this yearbook would not be possible. Thank you for the pictures, information, scores, ads, and assistance in creating this book for the SHS 2013-2014 students.

A special thank you to the following individuals for providing pictures from this school year:

Alex Flanigan
Art Hanlin
John McEwen
Shari Miller
Rhonda Tasker

Thank you to the SHS administration and staff for their support.

A big THANK YOU to the students. Without your cooperation, this yearbook would not exist. You have been a pleasure to photograph and gather information from for this book. Thank you for the endless and countless number of pictures and information you provided us. I hope *Reflections* serves as a treasured memory for many years.

Senior Staff Members:

Remember meeting your best friend in kindergarten? Think about where we are now and where we will be in ten years. All the great memories we have made together. We will spend the rest of our lives reminiscing and reflecting back on all the things we participated in, from sports to dances to pranks and everything in between. The knowledge we have learned and events we have experienced in high school will be with us on whatever journey we decide to take. Some of us will go onto college, some will raise a family, some will move across the country and some will defend us by joining the military. No matter what direction our lives take, we all shared similar lives passing through Southern High School the last four years. We waited 13 years to get to May 31, graduation. A new chapter of life starts now. We are going into the real world. Life is changing it's a wonderful thing. Congratulations class of 2014 and may all of us have a beautiful and successful future.

Rachael Huxford

The Doctor is in and says things rather well, so here is some advice he offers for you:

But this is one corner of one country on one continent on one plant that's a corner of a galaxy that's a corner of a universe that is forever growing and shrinking and creating and destroying and never remaining the same for a single millisecond, and there is so much, so much, to see.

Think you've seen it all? Think again. Outside those doors, we might see anything. We could find new worlds, terrifying monsters, impossible things.

There are fixed points throughout time where things must stay exactly the way they are. This is not one of them. This is an opportunity! Whatever happens here will create its own timeline, its own reality, a temporal tipping point. The future revolves around you, here, now, so do good!

Oh and remember, bow ties are cool!

Rachael, we love you and are so proud of you...always! XOXO

Mom and Dad

As fall turned into winter, winter turned into spring and spring turned into summer, we learned who our friends were and who we could trust. We experienced vacations with family and friends, dances, school rumbles, holidays and fashion craves. We became experts in seasonal activities—snowboarding, wakeboarding, fishing, hunting, snowmobiling, and farming. We cheered in the football stands, in the gymnasium bleachers and in the cafetorian for our classmates as they performed on the field, court and stage. Our cell phones and technology devices had the newest and coolest apps installed. We are social beings and this year through social gatherings and events we grew beyond the person we thought we were when we entered the front doors in August.

"I definitely see a need for addressing digital literacy for all students in an organized manner instead of a hap-hazard way. Technology affects both our personal and professional lives, so everyone could benefit from being "digitally literate". Teaching digital literacy is teaching communication - having focused lessons on appropriate use of Social Media, awareness of copy right laws, and crediting sources - all of these goals should be on the radar of today's 21st century public high schools. Since a 1-1 computing scenario is a lofty goal, and one that is budget challenged, I would be in favor of allowing personal devices like tablets, smart phones, and laptops."

GOLF

Playing for Par

"We had a very successful season! Unfortunately, none of our golfers were able to shoot well enough at the regional tournament to qualify for the state tournament. We are not losing any of our top golfers to graduation, so we expect to have an excellent team next year."

-Coach Ryan Wolf

Golf Playing Tips

-Keep your head down and eyes on the ball.

-Keep your left arm straight.

-Play the course not the people.

-Tempo is key.

-Stay positive, even when you hit a few bad shots.

Senior Memories

FOOTBALL

Drive to the End Zone

"This season was more about the beginning of rebuilding a football program than a football team. The players who put the time in the weight room and practice field during the off season will see the fruits of their labor long after this season is over. The pay out to those hard working players will be continued revitalization of the Southern Ram Football Program. I'm very proud to say that 8 out of the 10 games played the team was able stay on top of the game and compete with the adversary. As the new Coach of Southern High School Football, it is my job and commitment, to see this program back to the respected level it once enjoyed." -Coach Jon Nazelrod

Playing 'til the End

"The special thing about this team was how they felt about and treated each other. With 30 teenage girls, you don't always have the personality mix that leads itself to an easily integrated "TEAM." These girls cared about their teammates and their team in general, their goals were always not to let the team down, to always to play "from the start, till the end." -Coach Sara Shaffer

SOFTBALL

Just Swing It

"The 2014 softball season is one I will never forget. Not only did we have an amazing group of girls, the weather made it a very challenging season. Even though our season did not end as we all had hoped for, or our record reflect our true talent and ability, this team will always be champions in my eyes! You all worked with determination and dedication all season long, even when we spent DAYS in the gym! I look forward to next season to see how the returning and incoming players transition into the new leaders, and fill the necessary spots. I wish nothing but the best to **Emily, Faith, Bri, Kelsey, Natalie, Bethany** and **Alicia** as they begin this next chapter of their life! These Seniors will accomplish amazing things! Thank you girls for a great season!" -Coach Amber

The tennis team will always remember: Winning girls double bi-counties and always remember the rule that tennis is 90% mental and 10% physical.

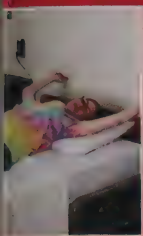

An education: the reason why we go to school. One hundred and eighty days of homework, tests, projects, labs, presentations and papers are finished and the learning part of the 2014 school year is finally over. As the last days of the school year came to a close, tests and scantrons were handed out, pencils were set into motion and exams began. Thoughts of what we learned swirled throughout our brain and we finally realized we now have the knowledge to go onto the next level whether it be another year of high school, work, college or starting a family.

The Real Deal

Juniors Experience Real Life

Stakeholders in the community come together to help Southern students realize what it is going to be like after high school. Each student gets a "ledger" which is their job, salary, and expenses on it. Each student goes around in the gym and has to pay for things such as food, insurance, a house, taxes, college, marriage, a child, etc. At the end of the Real Deal they add up how much they have spent out of their yearly salary and how much they have left, or are in debt. If they see they are running out of money and will be in debt by the end they can choose to go back to school and earn a higher degree and therefore, make more money. This is a great way for the students to see how life will be after high school.

"My favorite part was buying things with the extra money you had each month."
Jack Hanline

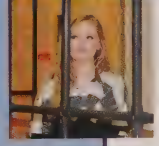

"My favorite station was graduation, because it made me feel like I accomplished something."
Miss Gask

"I liked all of the stations because they showed me how to make my own choices."
Kyle Fennell

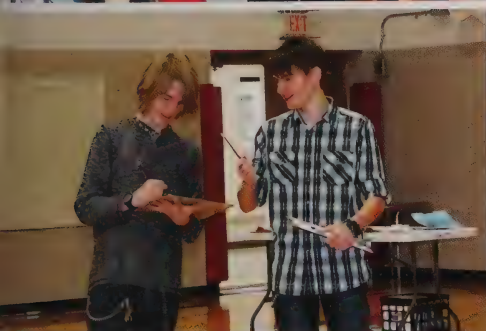

"Talking to the other students and seeing what they thought was really helpful."
Mallison Corley

"This event was a my favorite, because with every degree you get your pay increased."
Hannah Gillepie

"One of my dreams is to own my own house, so my favorite station was the one where you were buying things."
Mallison Cooper

Have you ever noticed how much the community comes together and helps Southern High School students and staff? The SHS business and organizational community is an integral part of our school. We thank each and every one of them for their time and donations they have made to our school and classrooms. Without their generosity Southern would not have the wonderful activities and opportunities that they currently have in place for the students.

Thank you to the businesses that have purchased ads in the 2014 Highlander yearbook. Your purchase assisted with keeping the yearbook cost down for students. Thank you!

Thank you to the Ms. Zumpano's classes for designing and creating the business ads in this yearbook. A special thank you to Kirsten Welch for her many hours creating and editing ads.

The Art Department would like to thank the Garrett County Arts Council for its support of the annual student arts fair. We would also like to thank Susquehanna Bank as well.

Oakland is the best example of small town America...opening its heart and arms to newcomers. I am proud to have lived and worked with the people and businesses in Oakland for the past nine years. Thank you for all of your support to the SH students and staff. --Mrs. Kathy Zimmerman

Machine Tool thanks Pioneer Conveyor, Phenix Technologies and Alleghany Welding and Machine for their support during this school year.

Thank you to Eddie Friend Jr. for the donation to the child care class. The students and I appreciated your support. --Mrs. Law

The school newspaper, *The Acorn*, would like to thank the many local businesses who have supported the journalism program through advertising this year. Your generous support keeps the latest technology in the newspaper staff's hands and our 86 year old newspaper afloat. You are planting "seeds" for the future of our town through your sponsorship of our program. --Mrs. Savage

Thank you to Dr. Maurice Brookhart for visiting and inspiring the Honors/AP chemistry students. Thank you to the SGHS Alumni Association and Mr. Rob Sharps for arranging such a great visit. Thank you also Dr. Brookhart and Mr. Sharps and the Alumni Association for providing the funds for a scholarship to be given to a senior chemistry senior student. Working with the two of you is a pleasure and your support of the chemistry program will benefit students for years to come. --Dr. Bishoff
